Athens, 27.08.2020

On Behalf of TÜV HELLAS S.A

Katerina Sfakianaki

This report does not constitute or provide any guarantee that infections are not possible within the inspected premises.

This report demonstrates the findings of the inspection in that specific and time-tested area and time. It does not constitute a permanent certificate and does not constitute a guarantee of continuous implementation of the health protocols by the inspected company.

The role and responsibility of the Inspection Body is limited to and exhausted in performing the inspection and drafting of the inspection report. The inspected company is solely responsible for monitoring the observance of the health protocols and compliance with the recommendations and observations of the Inspection Body.

The Inspection Body shall not be liable for any damage or claim, (either direct or indirect) in respect of any restriction on the business activities of the inspected company, partial or total suspension (lockdown) or a fine that may be imposed by the competent authorities for non-compliance with the health protocols.

Partial or full reprinting of this inspection report is not permitted without the approval of the Inspection Body.
